

## **Genting SkyWorlds Theme Park – the first and only theme park conferred Malaysia Tourism Quality Assurance Platinum rating by MOTAC**

**Genting Highlands, 11 September 2023** – Resorts World Genting’s world class attraction, Genting SkyWorlds Theme Park became the first and only theme park to be accredited with Malaysia Tourism Quality Assurance (MyTQA) *platinum* rating by the Ministry of Tourism, Arts and Culture Malaysia (MOTAC), recently.

The vibrant 26-acre wonderland above the clouds entered the quality assurance programme by the Ministry under the “Man-Made” category and scored a high overall rating of 96.69% in 7 key evaluation criteria. The outdoor theme park was assessed by MyTQA based on appearance and experience; service quality; facilities; marketing and promotion; customer survey; and safety as well as sustainability best practices.

MyTQA was initiated by MOTAC in 2014 to provide endorsement and recognition of quality excellence in Malaysian tourism products and services. The accreditation programme boosts confidence in local tourism products and is used as a key reference by tourists to select the best products.

“We are thrilled to be awarded the highest recognition for quality tourism by MOTAC,” said Aaron Soo, Senior Vice President of Attractions and Tenancy, Genting Malaysia Berhad.

“This seal of approval by the Ministry speaks volumes of our continuous pursuit of excellence, care and ingenuity in establishing a world class outdoor attraction that centres not only on delivering enchanting and unparalleled entertainment but one that also focuses on optimum technology-enabled convenience and safety of visitors,” he said.

Genting SkyWorlds Theme Park has received approximately 1.56 million guests since its opening in February 2022. The magical, adventure land of international standards caters to diverse

audiences, providing extraordinary integrated entertainment experiences in the form of exciting rides, attractions and shows through 9 distinctive worlds to create unique, everlasting memories.

Soo added: "With this new feather in our cap, we are certainly energised and motivated to create even more incredible experiences at Genting SkyWorlds Theme Park and journey towards greater success one milestone at a time!"
