WORLD FAMOUS FISH & CHIPS

Our story

Harry opened his first Fish & Chip shop in 1928, in a little wooden hut in the north of England. His mission? To serve the very best quality Fish & Chips. He went about it in a precise style, measuring ingredients with a ruler and turning the fish after exactly 2.5 minutes. It is Harry's very own batter recipe that we still use today, almost 100 years later.
