## WINE MENU

---

---

Wolfgang's Steakhouse has been delivering the quintessential New York City steakhouse experience since opening its first location in 2004. Whether it's the smell of a sizzling porterhouse, the warmth of the hardwood floors, or the intimate glow cast by the alabaster chandeliers, your senses are indulged as soon as you enter the front door.

At the heart of this sensory experience is the wine and beverage program at Wolfgang's Steakhouse. Our wine list offers both classic and adventurous wines from around the world. The subtle aroma of a wine can transport you and elevate your dining experience. We select wines that can transmit that sense of place through the wine glass. Whether you prefer a popular Napa Valley Cabernet or a limited edition Premier Cru from a small family vineyard, each wine has a story to tell. Our diverse selection not only reflect and enhances the flavours of our cuisine, but also provides you with a variety of selection for any budget.

As a world-class steakhouse, we take pride in our red wine selections to pair perfectly with our dry-aged USDA prime beef. Our deep selection of Cabernet from around the world give you the opportunity to delight in paring just the right wine with your meal. We also work sourcing rare and eclectic wines for those who wish to experience something unique and exciting. We welcome the opportunity to suggest a unique wine suited to your preferences. Please let any of our trained staff members help you select the right wine.

Thank you for dining at Wolfgang's Steakhouse!

Cheers to you,

Wolfgang Zwiener
